WE ARE THE HUSKIES

Since the opening days of Hirschi, there has been a certain aura about our school which has been difficult to explain. It is a *feeling,* an *idea,* a particular *quality* designated as *spirit* . . . the Spirit of Huskyland which is noted by all who enter the halls and classrooms of Hirschi High. This spirit is attributed to the students and the faculty—all nine hundred and ninety-eight of us, for WE are the members of the Husky Team: WE ARE THE HUSKIES!

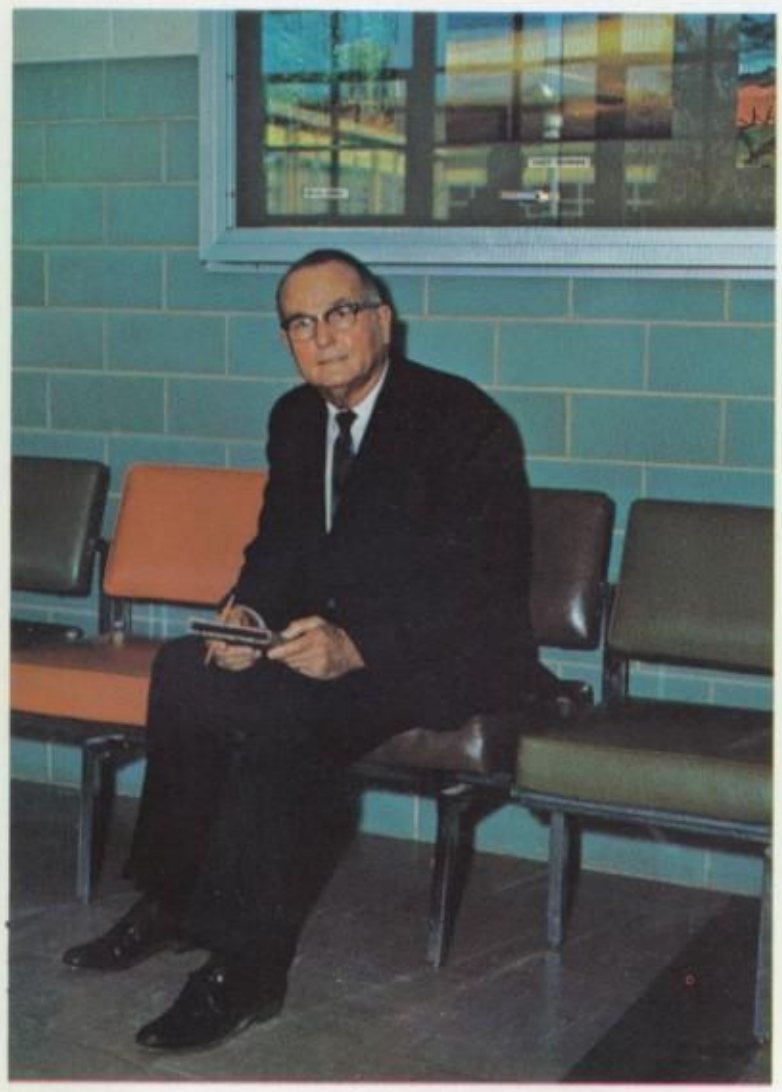
FACULTY AROUSES INTELLECTUAL APPETITE

Effective teaching is evident when learning takes place. Such is the program of the Husky Team composed of the fifty-four faculty who are outstanding members of the teaching profession. Success in the chemistry lab, satisfaction with term themes, and solutions to mathematical equations are hailed triumphantly as the chant, "We are the Huskies . . ." echoes from athletic field to classroom.

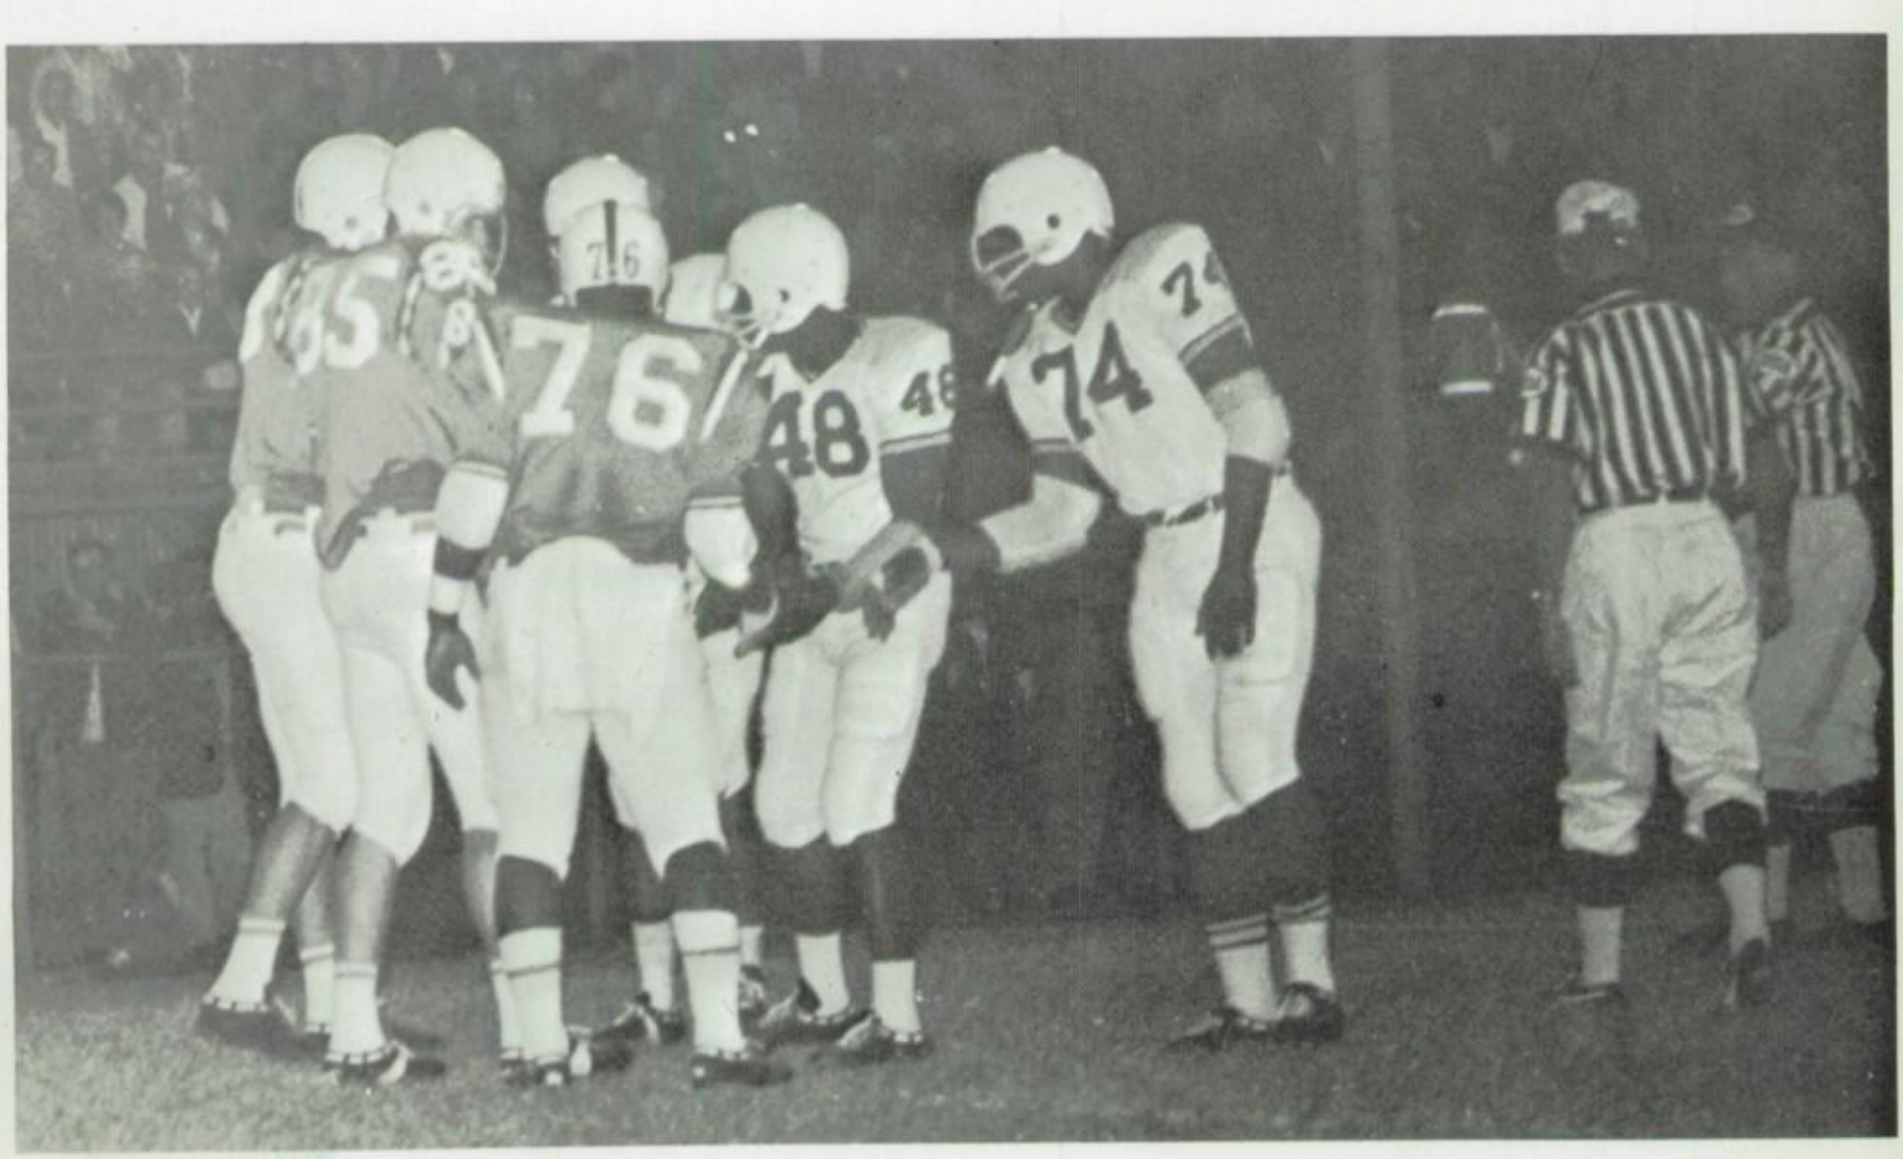


STUDENTS GENERATE EXCITEMENT

A resounding cheer, an exuberant clap of the hands, an examination successfully passed, a *super* party, or a solemn moment of quietness—each experience sparks that "something special" which is the hallmark of a Husky. Student excitement constantly throbs as every member of the Hirschi Team strives for victory in all facets of school endeavor.

PARTICIPANTS ARE THE FOUNDATION OF SPORTSMANSHIP

Foundations of Husky sportsmanship are established through the eagerness of participation. Willingness to devote time and effort toward an ultimate goal creates enthusiasm as every member of the Husky Team stirs up excitement and spirit.



COMPETITORS FILL TROPHY CASES

Huskies fill the trophy cases with an array of awards—from drama to sports, from ready writers to choir, from slide rule to typing . . . the variety and number of awards are ample gratification as the spirit of competition pervades every facet of Hirschi activity.

SPECTATORS ARE SPIRIT OF *THE TWELFTH MAN*

Spectators are just as important as the participants on the Husky Team. They create spirit which inspires and encourages the contestants to work harder for the ultimate victory. A great sport is watching people, whether a cheerleader or someone yelling for a touchdown. The mood of the team is set by the reaction and enthusiasm of the crowd which is the epitome of the Twelfth Man.

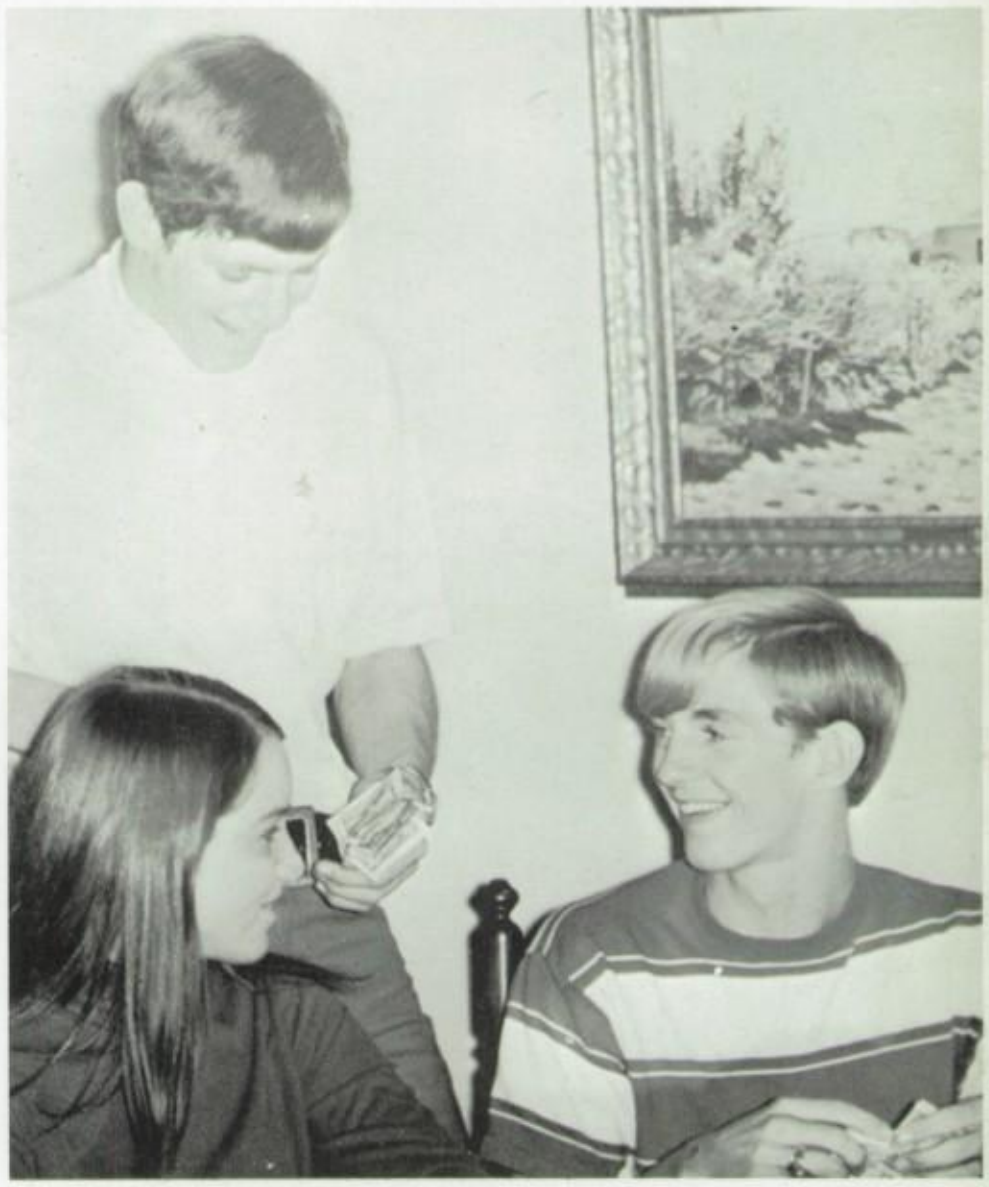
LEADERS CONTRIBUTE COUNTLESS HOURS

The backbone of Hirschi's greatness is the result of diligent leadership evidenced by students who give of their own time to achieve success in various curricular and extra-curricular activities. Busy people who get things done provide the Husky Team with positive results.



GRADUATES ARE HUSKIES FOREVER

Graduation is the climax of our unforgettable years of high school activity. It is, however, only the beginning of the many wonderful opportunities ahead for the 1968 Class. For these graduates, education has become the strongest foundation for future success. Regardless of their destination, they will always remember, "We are the Huskies, . . . Loyal Forever."

GRATEFUL APPRECIATION

Oftentimes, it is difficult to express feelings of admiration and appreciation to a friend. Sometimes too many words tend to over-decorate our thoughts, and less words create a feeling of ingratitude. The words are customary, but the feeling is significant when we say, "Thank you, Mrs. Ledford."

DEDICATED MEN SUPERVISE EDUCATIONAL PROGRAM . . .

A native son, Dr. Donald R. Waldrip comes to the Wichita Falls Public Schools as superintendent ot a complex and growing system. Implementing new ideas, inaugurating pilot programs of education, and establishing new units to supplement the vocational needs of the school population are hallmarks of his leadership. Assisted by Deputy Superintendent G. H. Kirby and a capable staff of administrators, Dr. Waldrip is quickly finding a place of respect and admiration for himself on the part of the constituency of the Wichita Falls public schools.

SCHOOL BOARD LINKS COMMUNITY, SCHOOL . . .

The Wichita Falls School Board is a very busy organization with the interests of the city schools at heart. Deeply involved in meeting requirements dictated by the Health, Education and Welfare Office, the Board has worked diligently with the new superintendent of schools in attempting to solve all problems. Many new innovations are being supplemented due to the tireless efforts of the School Board.

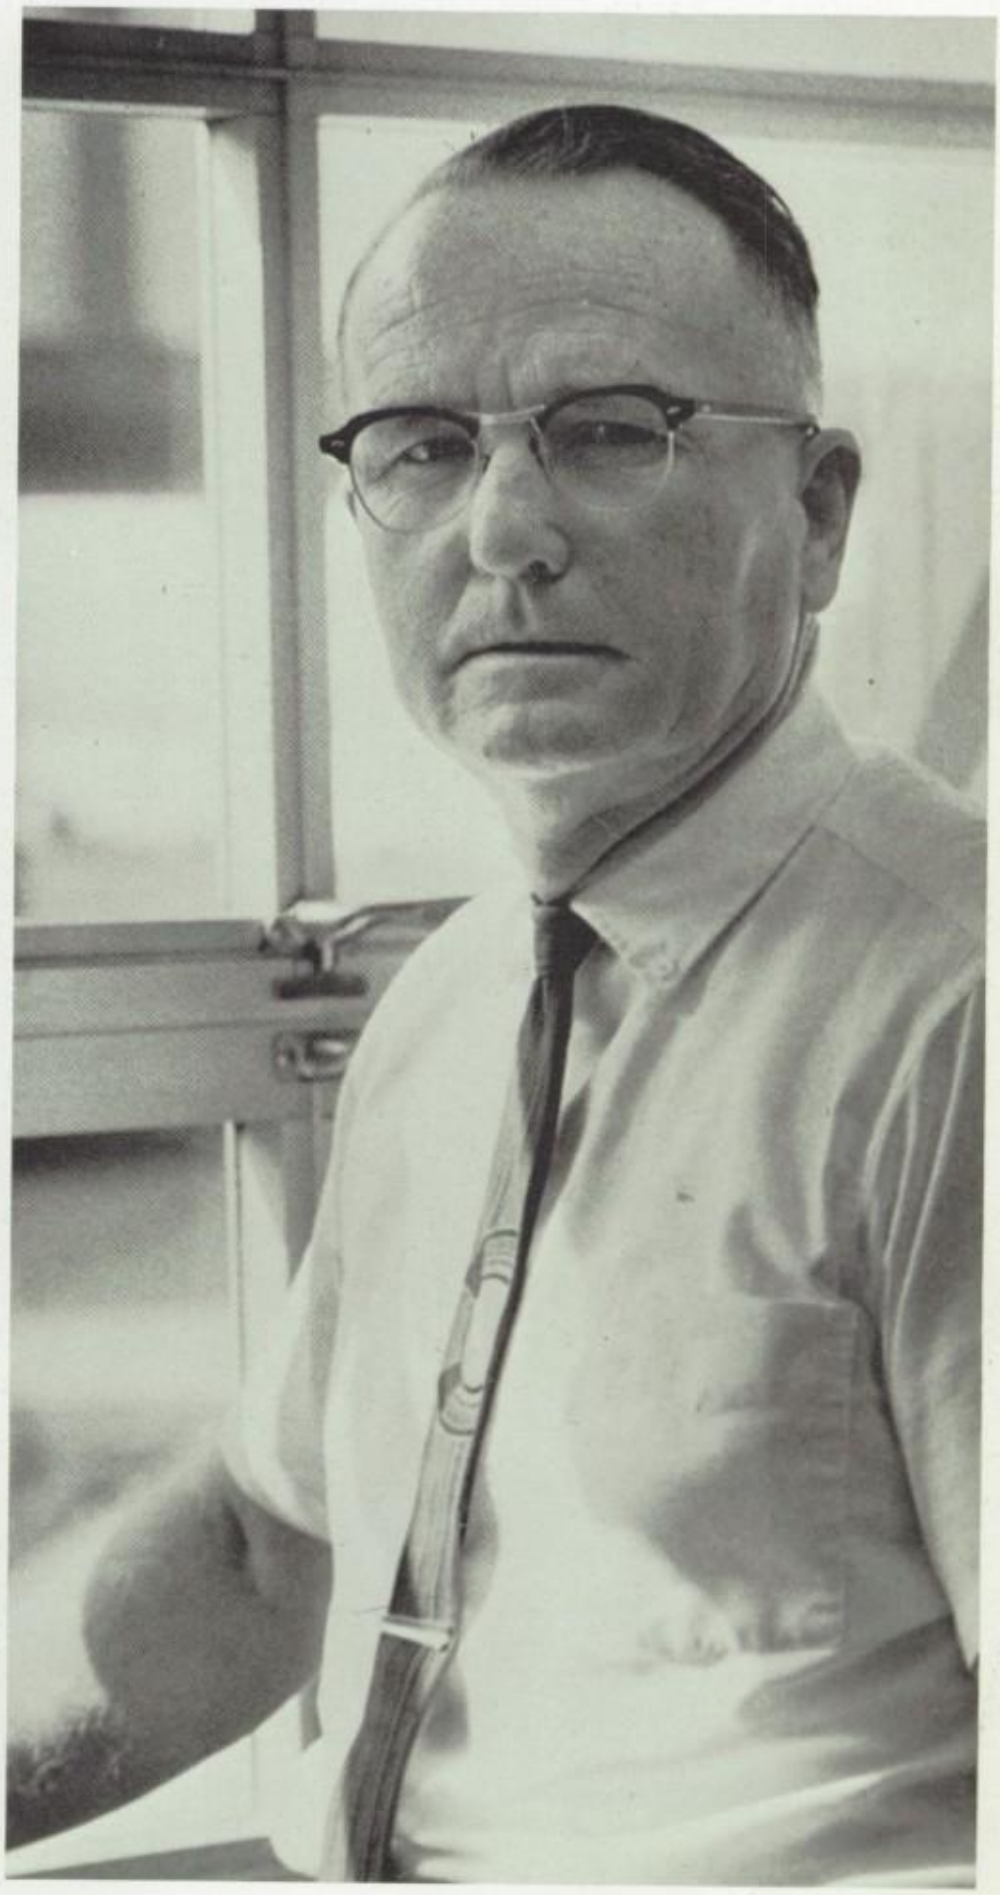
A. D. NEAL

A MAN OF VISION AND DEDICATION

Our principal, Mr. A. D. Neal, looks upon each student as an individual with potential. He takes time to help each student realize and develop this potential.

It is in this endeavor as in all other areas under his guidance and influence that Mr. Neal is a successful and respected principal.



VICE-PRINCIPAL

One of the busiest members of the administrative staff is Vice-Principal Clifford J. Hughes. Co-ordination of all visual aids and equipment, textbooks, schedules, bank deposits, federal forms, and report cards are basic duties of Mr. Hughes. Without his organizational ability, the Husky Team would not be as efficient as it is.

OFFICE STAFF

The nerve center of the Husky Team involves the office staff with Mrs. Virginia Orsak, secretary, and Mrs. Esther Bradley, registrar, directing the office personnel in the performance of countless duties concerning the students and faculty at Hirschi. We salute these individuals who perform in the tradition of Huskies.

MISS ETHELYN JOHNSON, M.Ed.
Hardin-Simmons University

DEAN OF GIRLS

An office created this year is that of Dean of Girls ably filled by our own Miss Ethelyn Johnson. A disciplinarian, Miss Johnson's duties also include assisting the Vice-Principal and working with the registrar in an administrative capacity.

GUIDANCE

A weekly paper titled "Happenings" has made the Guidance Office one of the most popular places for Hirschi students and teachers. Helping students understand themselves and the problems they face, the Counselors are able to provide guidance in areas of classwork and career or college choice, or simply to provide a shoulder to cry on.

LIBRARY

Cultural enrichment for the student reader is encouraged by the staff of librarians at Hirschi. Our growing library, presently numbering 10,500 volumes, is constantly used by students for book reports, term themes, and special projects. Many pleasant hours are spent in search of knowledge.

ART

The Art Department helps many Hirschi students find their niche in a creative sense. Working with ceramics, oil painting, design and clay sculpture, these budding artists are given the opportunity of expressing themselves and developing their talent to the fullest extent.

LANGUAGE

The study of a foreign language challenges many Hirschi students. Classes in Latin, Spanish, German, and French provide a varied selection. Students introduced to the language and customs of another nationality often choose the field of languages for further study. Exciting club meetings, banquets, and conventions undergird classwork endeavor.

JOURNALISM

MRS. SARAH WELLS, B.S.
Midwestern University

The intricacies of newspaper reporting, editing, and managing comprise the curriculum for the journalism class. Supervised by Mrs. Sarah Wells, the HUSKY HOWL staff publishes a school paper twice a year and provides weekly stories for the TEEN TIMES edition of the *Wichita Falls Times*.

MRS. YVONNE JAYNES, B.S.

SPEECH

To develop an understanding and appreciation for theater, debate, and other speech activities is the avowed purpose of the Hirschi Speech Department. Directed by Mrs. Yvonne Jaynes, students participate in two major dramatic productions in addition to the Interscholastic League Contest Play. Students also gain experience for individual UIL contests by participating in three or four out of town tournaments.

Students are encouraged in the development of the total personality; speech activities instill leadership, poise, self-confidence, concentration, self-satisfaction, and self-recognition.

SOCIAL STUDIES

The Social Studies Department is involved with the study of history and the government of the world. The study of world history delves into the development of the world from the time of primitive man up until modern man. American history is a comprehensive study of the history of a comparatively young nation. The government and economics classes acquaint the student with the functions and history of our democratic government.

MATH

Studies in the Math Department provide a general coverage as well as college preparatory work for the math student. Special instruction in the use of the slide rule and in number sense aid the Department in placing students in Interscholastic League competition. Bill Gombeski, '68 graduate, placed first in District and Regional competition and placed seventh in the State contest.

SCIENCE

From atoms to infinity—the world of science is a world for the curious, the imaginative, and the persistent. It is a world of systems and of laws. He who enters, discovers that the realm of nature is characterized by structure, order, function, and most important —purpose. The thrill of scientific study lies in the application of reason and the powers of observation.

PHYSICAL EDUCATION

Strong, healthy bodies contribute as much to a student's success as strong, capable minds. It is with this idea that the Department of Physical Education provides an active, carefully planned program in which all students at Hirschi may participate. Intramural sports and physical fitness tests demonstrate the discipline and skill acquired in gym classes.

CAFETERIA AND MAINTENANCE

Hot, nourishing food prepared in a sparkling clean kitchen is the ultimate goal of the cafeteria under the supervision of Mrs. Beth Hobson. The experienced staff serves 1,050 meals to satisfied students each day.

Under the direction of Mr. L. L. Haley, supervisor, numerous hours of work are performed on the maintenance of our building. A clean, well-ventilated classroom provides a pleasant atmosphere for the student as he participates in various learning situations.

1968 HUSKIES

A great coaching staff coupled with hard work, dedication and devotion are hallmarks of the 1968 Husky Football Team. A winning season of 7-2-1 is attributed to the undaunted spirit of a group of young men who constantly fought against great odds to bring honor to Huskyland. Practicing hour after hour with just enough men for two teams, hindered by the various aches and pains of the week before, paid off on game night when fans were thrilled with victory after victory. Losses to Iowa Park and 4AAA rival Washington were disastrous, but the Huskies played valiantly. Our congratulations are extended to each of these young men who performed in the tradition of champions.

CITY CHAMPS

Coaches and players combined to build a Junior Varsity team into a City Championship. A dazzling 9-1 season provided an enviable record with the team's only loss coming at the hands of out-of-town rival, Vernon. Congratulations to another Husky Team which performs in championship style.

HUSKY STAFF

Dedicated in the dauntless pursuit of recording an accurate pictorial history of the HUSKY TEAM, the yearbook staff has worked many hours. Attempting to cover all facets of Hirschi life, the staff photographers have taken well over a thousand pictures of Hirschi students in the processes of work and play. The Editorial Staff has attempted to impartially edit the pictures and copy in an attempt to include every member of the Team. It is our desire that this yearbook will provide many hours of pleasant memories for all Huskyland.

BAND

An integral part of the Husky Team is the Hirschi High School Marching Band. Pep rallies and football games would surely lack color and spirit without their enthusiastic support. In addition, concerts, assembly programs, the talent show, and the crowning of a sweetheart are activities which have become traditional with this group of students who give freely of their time and talent.

HUSKY HOWL

Publishing a newspaper and contributing news stories to the weekly issue of "Teen Times" fill many hours of research and composition for members of the journalism class at Hirschi High. Editing and proofreading such stories provide valuable experience for the young journalists.

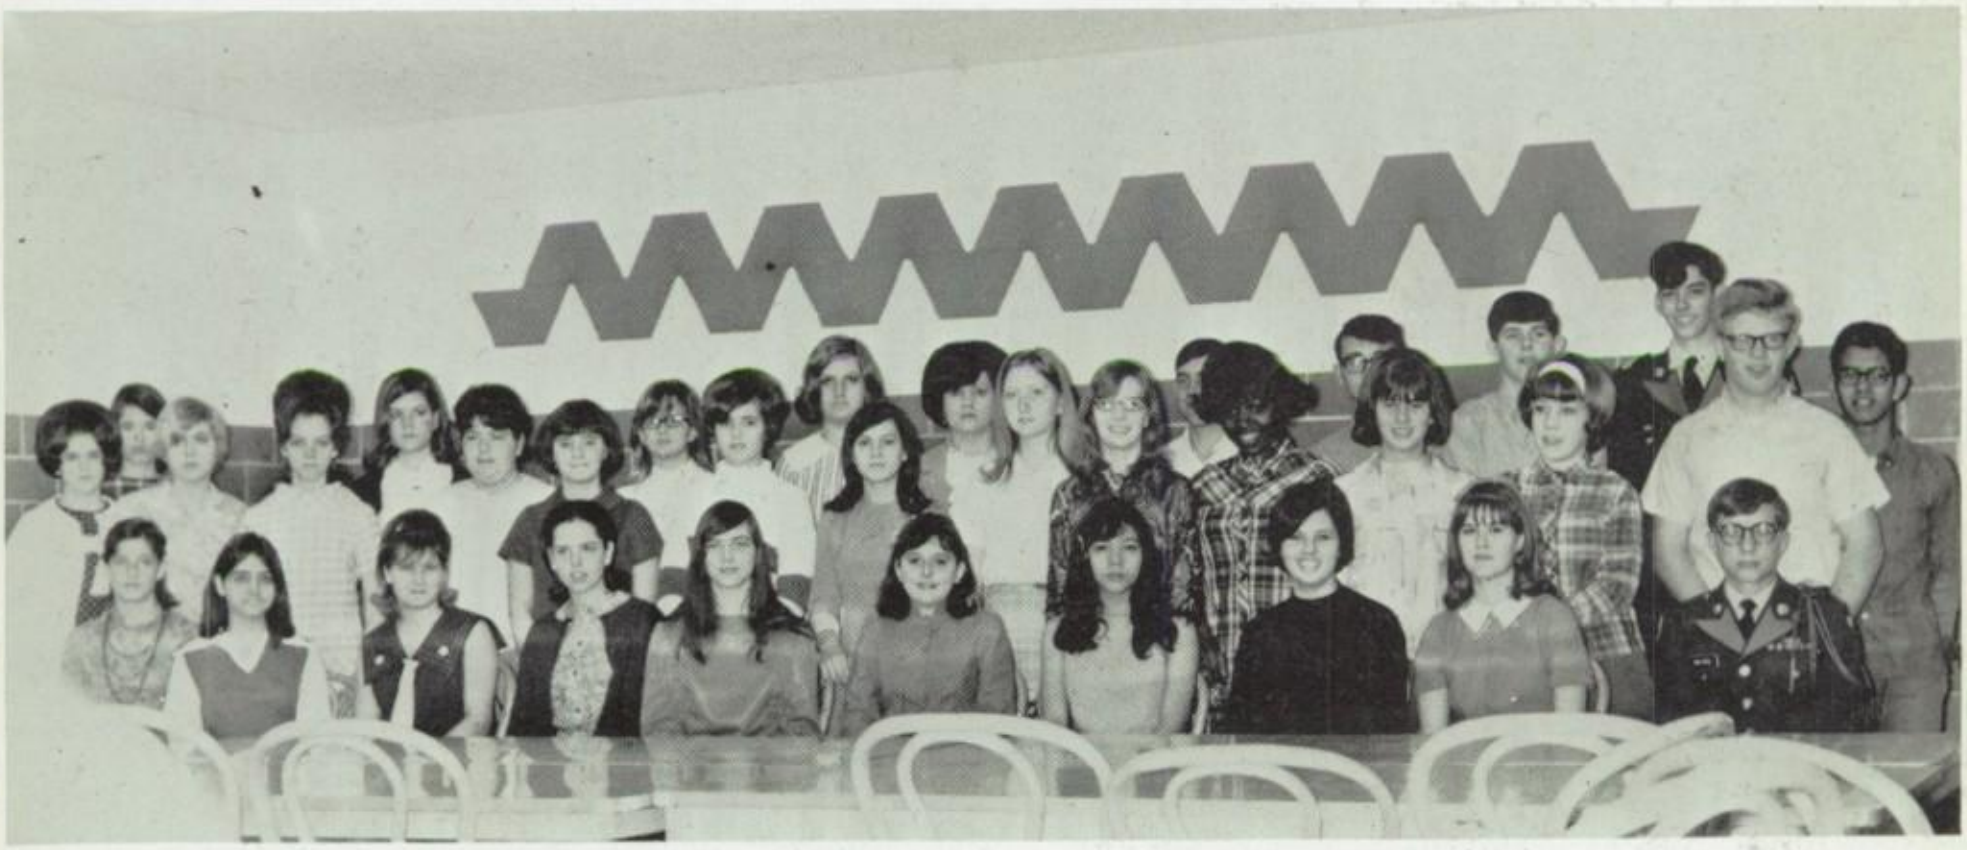
THE ENGLISH CLUB

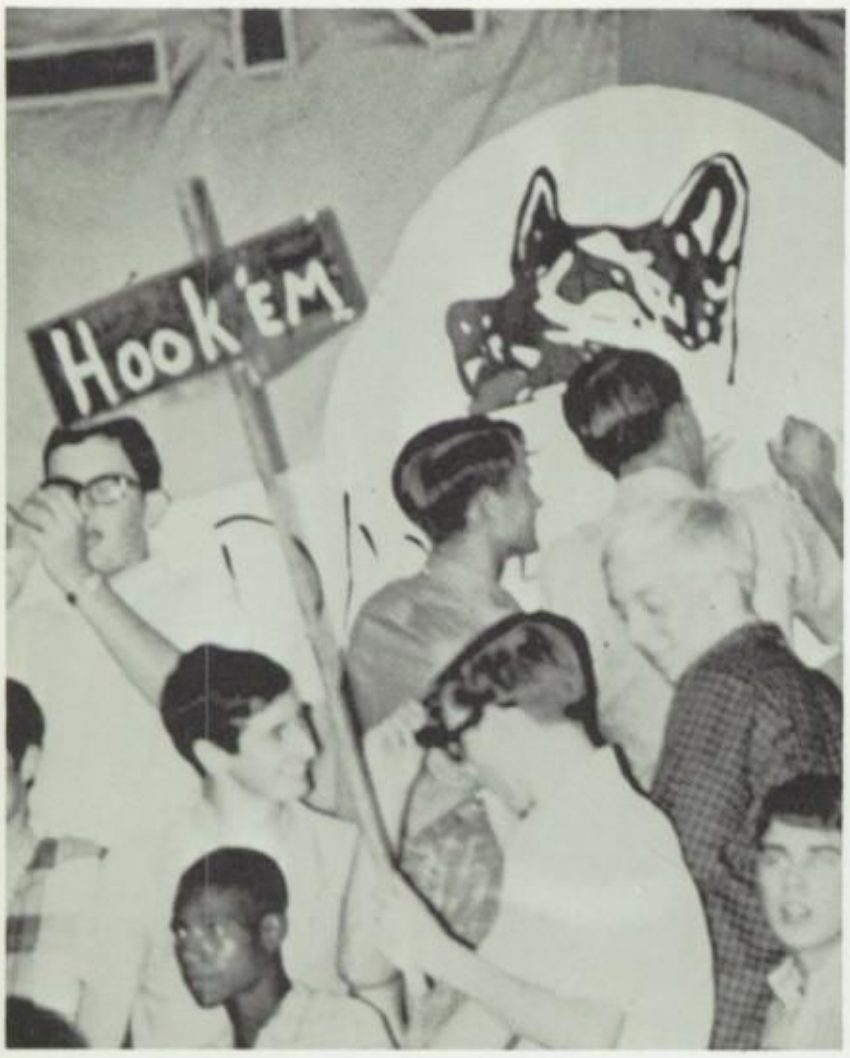
The English Club has members from each English Class who are interested in a more intensive study of the varied areas of English. Extracurricular activities focused on the many aspects of literature, such as drama, folklore, novels, short stories, and poetry, will be the central purpose of the Club. Trips to see literary productions, meetings with speakers on facets of English, the publication of a student-written literary project, and summer study of books are primary goals. The basic aim of the Club is to stimulate and enhance the study of English.



There are many curricular and extracurricular activities which cannot be entirely captured on the pages dedicated solely to organized groups. For this reason, we have attempted to capture the essence of the Husky Team as each member functions on a daily basis within the framework of school life. Come with us through these next few pages as we review the various members of our Team at work and at play.

SEPTEMBER

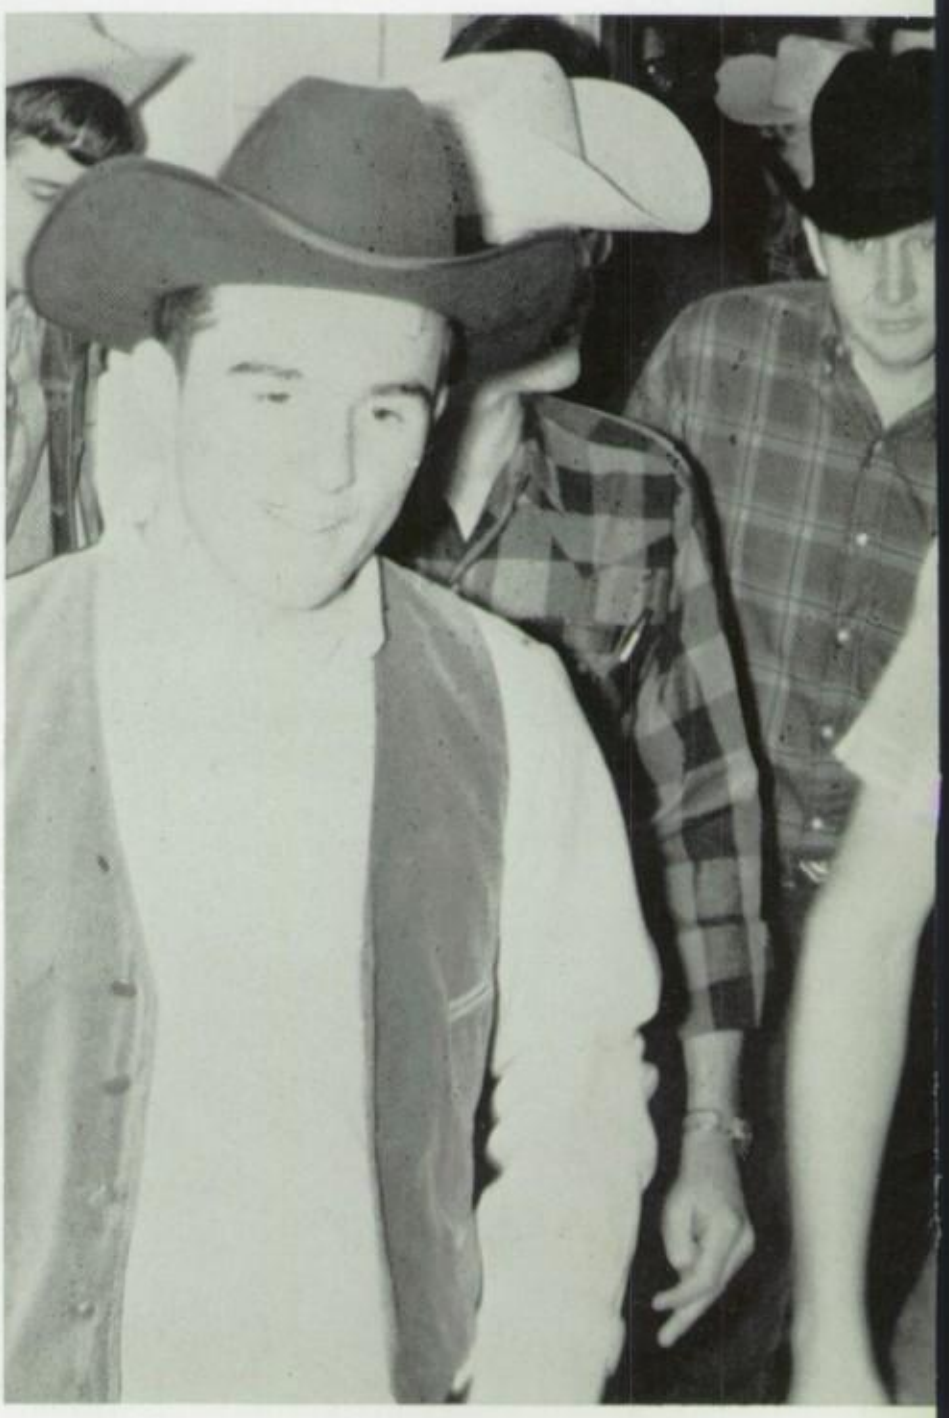
First hot days of school ... old and new friends ... new teachers and challenging classes ... long hours of practice ... the first exciting pep rally (for which some Freshmen bought tickets) ... a Super Slide party ... posing for class mug shots ... and the taste of sweet victory on the football field.

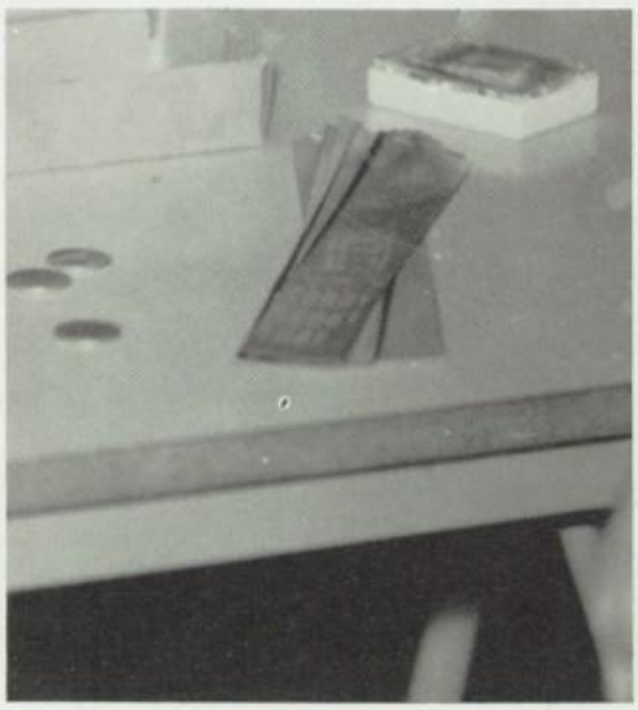


HOOK 'EM

OCTOBER

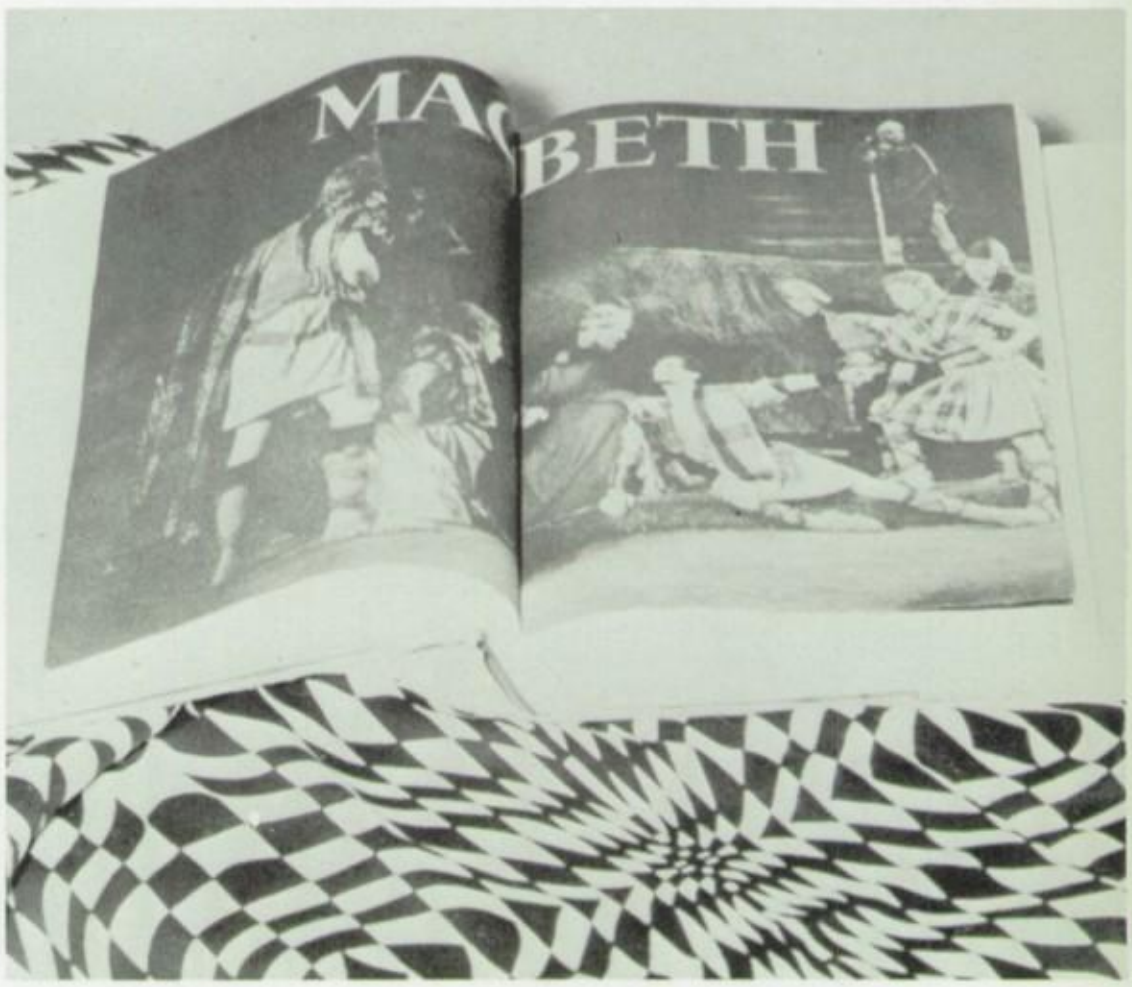
A hint of Fall in the air . . . Western Day with colorful costumes and a *bang-up* pep rally . . . a Hirschi first: drama and choral students join forces to present a musical, *Good News* . . . football fans enthusiastically support the team.

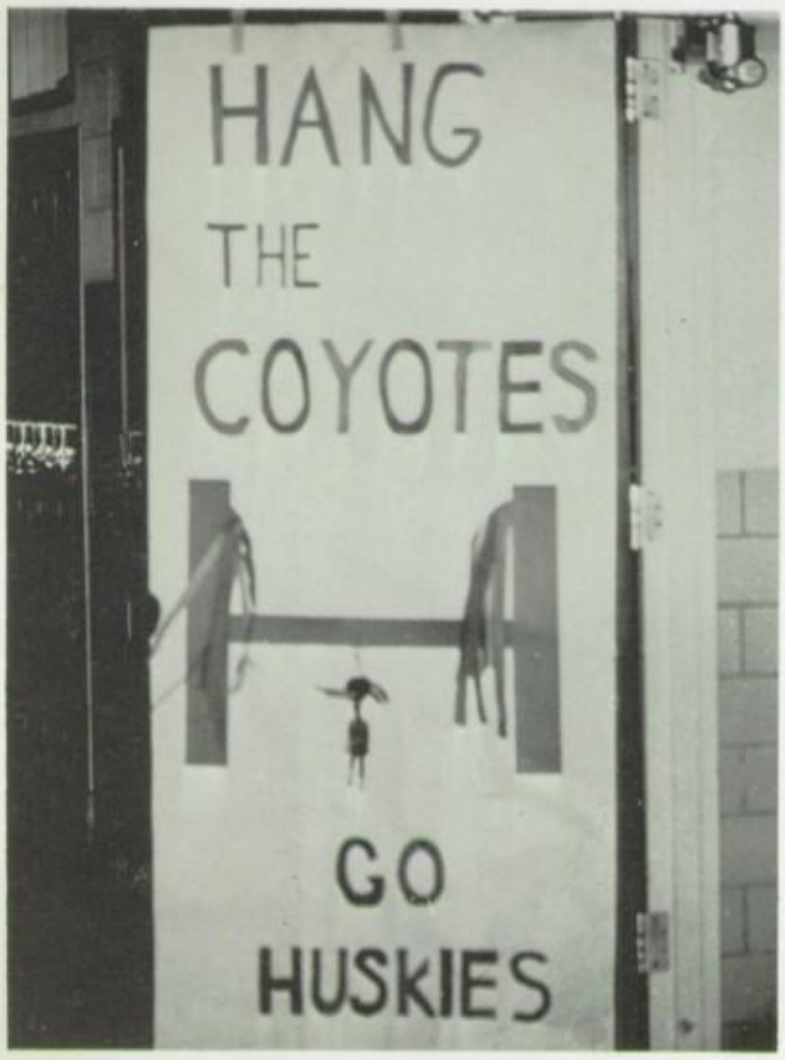




NOVEMBER

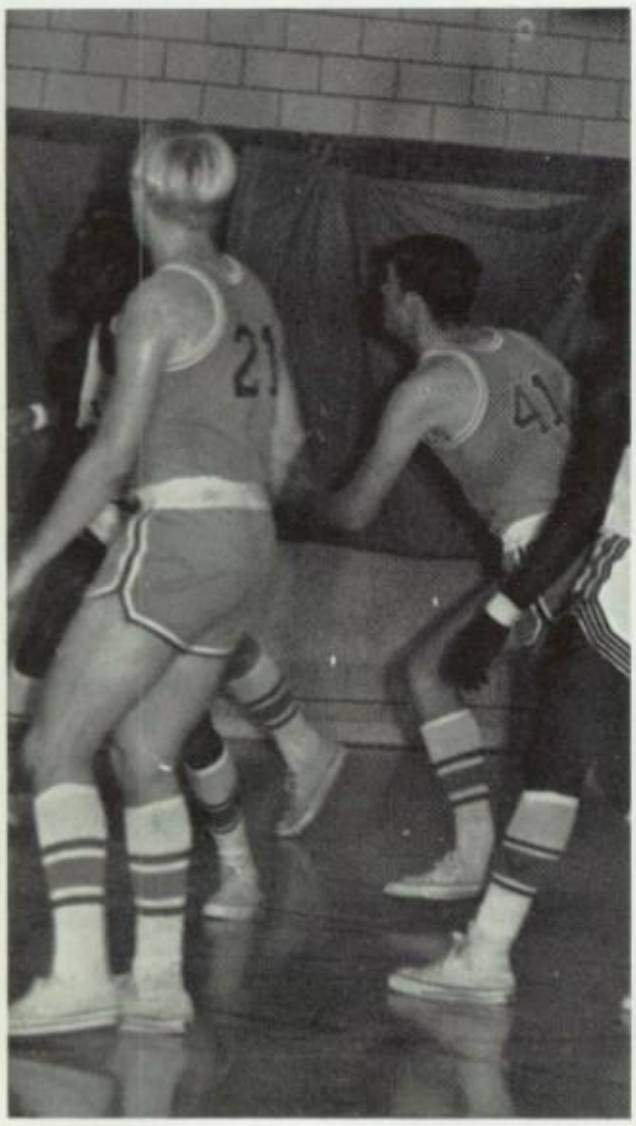
The Library Team visits the bindery . . . serious approach to six-weeks' tests . . . basketball activity replaces football . . . first deadline for the yearbook met by another Husky Team . . . MACBETH becomes a bosom buddy.





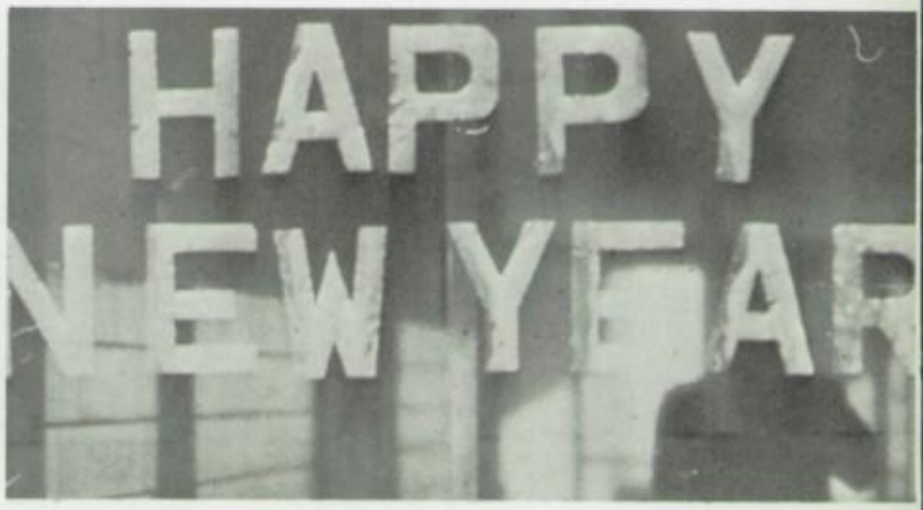
DECEMBER

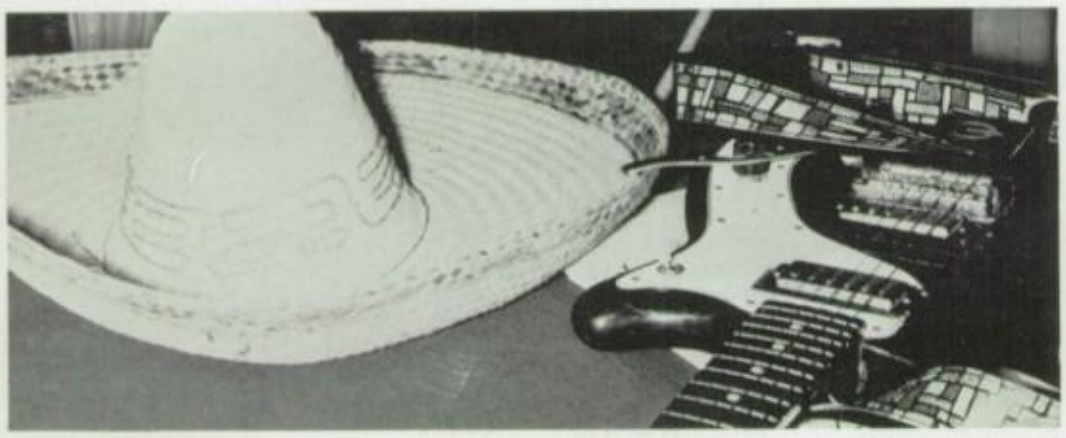
A month of festive activity with Christmas Holiday spirit in the air . . . Seniors decorate the traditional tree . . . Annual staff visits the publisher . . . Homemaking students entertain with a Tea . . . Senior term themes fail to discourage anticipation of the holidays . . . Santa Claus (Underwood) pays visit to the faculty.



JANUARY

The fall semester draws to a close with finals and schedule changes . . . graduation invitations are ordered . . . measurements taken for caps and gowns . . . tennis and golf teams begin practice in earnest . . . annual talent parade received enthusiastically . . . plans get underway for Winter Wonderland.



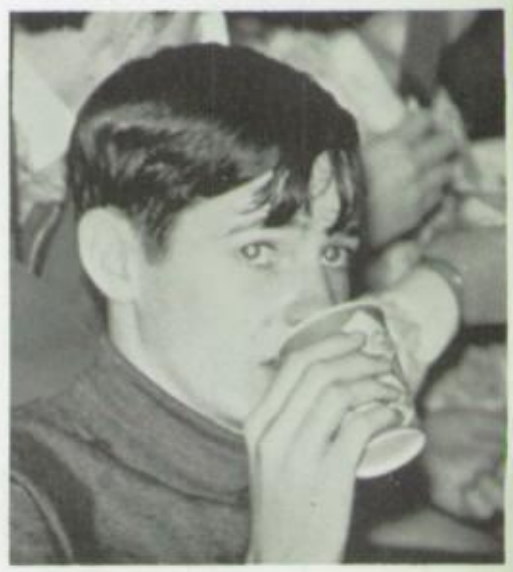


FEBRUARY

Juniors order class rings ... Winter Wonderland excitement permeates the campus ... Lord and Lady Hirschi crowned ... spring sports go into tournament action ... final deadline for the yearbook successfully completed.

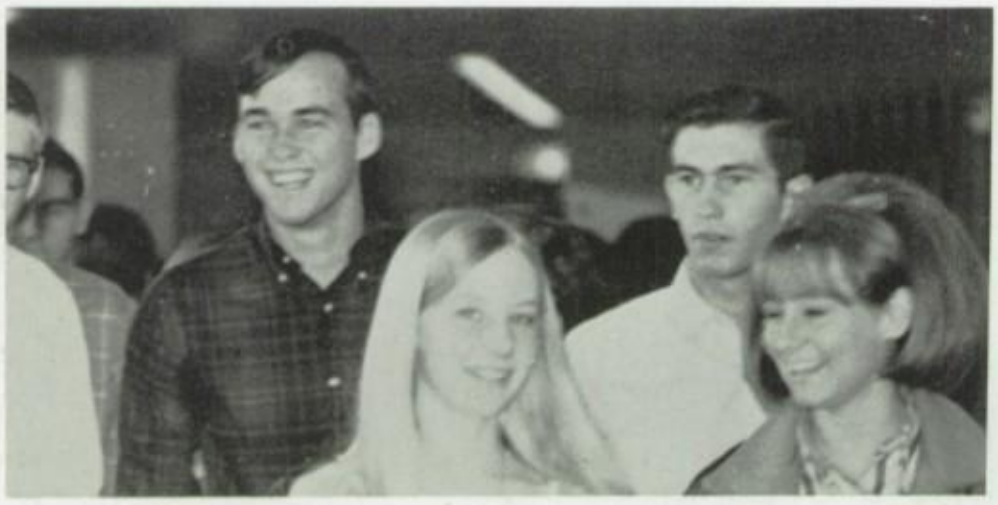
MARCH

Interscholastic league keeps many Huskies busy in debate, drama, typing, spelling, tennis, golf . . . Juniors write term themes . . . Orchestra performs in assembly . . . Spring Fever sets in.

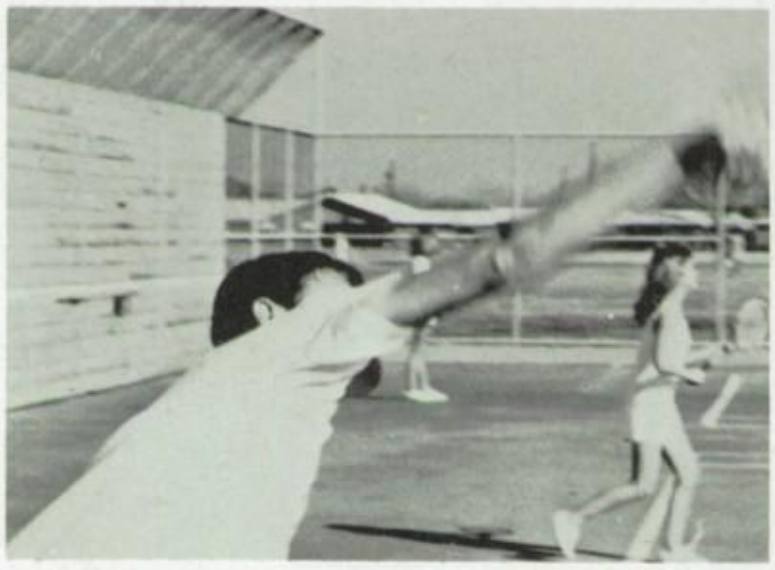


Muskie

APRIL



District UIL competition . . . R.O.T.C. annual inspection . . . Some teachers have almost had it! . . . baseball and tennis coaches demonstrate the right way.



MAY

Climax of a long eventful year at Huskyland . . . Honors Assembly . . . presentation assembly for *The Husky* . . . Loyalty Award revealed . . . annual signing party . . . graduation . . . farewell . . . tears . . . freedom.

And every member of the Husky Team has completed another memorable year at Hirschi High.

Johnny,

It's been wonderful knowing you this year... You have been very sweet and I have grown to admire you. I know I act sort of "different" at times, but I guess you've gotten used to it. Besides if I were "normal" I wouldn't have been any fun, would I? I know I've tried to play hard to get, but sometimes now I wish I hadn't. Oh well... I guess it doesn't matter any more. I really did like you at one time, but that's all in the past. All I can say now is good-bye and good luck!!

I hope you'll always remember me and the <u>good</u> times we've had.

Love Always

Angela

Johnny,
You are the

Johnny,
It's been a great year,
but it's been even greater
having you as a friend.
I hope our friendship will
never end. Be sure to come
to see me again

Love Beverly
